Mrs. Lee L. Griffith
 Mrs. Mary Margaret Anders Griffith, 61, formerly of Hope, died June 28 in Phoenix, Arizona. Surviving are her husband, Lee L. Griffith of Phoenix and a daughter, Mrs. J.J. Hayden of Bloomington, Ind.
 Graveside services will be at 11 a.m. Thursday at Rose Hill Cemetery by the Rev. Everett Vinson. Arrangements are in charge of Herndon.

Curfew for Hong Kong Is Ordered

By FORREST EDWARDS
HONG KONG (AP)—Police ordered a dusk-to-dawn curfew for Hong Kong tonight for the second night as Communist-led gangs began forming in Chinese sectors already wracked by three nights of terrorist attacks.
 With Communist pressure on the British colonial government mounting, the most severe water rationing since 1963 was ordered to conserve the local supply should Peking refuse to resume deliveries of water from the mainland in the fall.
 Armored police vans, filled with riot squads armed with carbines and shotguns, patrolled the streets of Wanchai, North Point, and the Western District—three explosive areas where hit-and-run terrorists have killed a policeman and two civilians, and three rioters have been killed since Sunday.
 Harbor ferries, streetcars and buses stopped running.
 Two-thirds of the colony's public transport never started today. Hundreds of drivers, frightened by attacks against buses and streetcars and by Red threats, did not show up for work.
 Public Works Director Michael Wright said the water would be turned on for four hours every fourth day.

Reuther Wants Share of Profit

By A. F. MAHAN
DETROIT (AP)—Walter P. Reuther takes to Chrysler Corp. today new contract demands of his United Auto Workers union. They include profit sharing, with the threat of a strike to get it.
 Reuther's Chrysler visit is his third in as many days to members of automotive's Big Three, where current three-year pacts run out Sept. 6.
 He previously dropped on bargaining tables at General Motors Corp. and Ford Motor Co., similar sets of what he describes as the union's "longest and most ambitious" list of demands.
 The profit-sharing goal came as a surprise Monday at General Motors. Reuther emphasized this as "essential" to a peaceful settlement at Ford Tuesday.
 A guaranteed annual income previously had been given top billing among union goals.
 Under a guaranteed annual income plan, Reuther says a worker must know at the beginning of a year what his income for the next 12 months will be, any layoffs not withstanding.
 On top of that, the UAW president disclosed as new bargaining opened that the union wants bonuses based on profits at the end of the fiscal year, just as company executives get bonuses and stockholders get extra dividends.
 Reuther repeatedly has failed to gain profit sharing from the Big Three in past negotiations. There have been no indications the companies are any more disposed to agree to it now.
 At a news conference preceding his Tuesday visit to Ford, Reuther emphasized his determination to get it this time.

Weather Experiment Station report for 24 hours ending at 7 a.m. Wednesday, High 95, Low 72

Forecast
ARKANSAS—Cloudy to partly cloudy and not quite so warm tonight with showers and scattered thunderstorms but mainly south tonight, Thursday partly cloudy with little cooler north to not so warm south with widespread scattered afternoon showers south portion. Low tonight 60s north to 70s south.

25 Americans Killed in Cong Attack

By GEORGE MCARTHUR
SAIGON (AP)—A large North Vietnamese force attacked two U.S. infantry companies today and left 25 Americans dead and 22 wounded in the jungles just north of the Ia Drang Valley in the central highlands.
 Associated Press Correspondent Peter Arnett reported from Pleiku that the two companies of the U.S. 4th Infantry Division, had completed a follow-up sweep of an area hit by B52 bombers. They were on their way out when they came under 82mm mortar and heavy automatic weapons fire.
 There was no report on North Vietnamese casualties.
 Arnett said one U.S. helicopter gunship and one observation helicopter were hit by Communist ground fire, but were able to make it back to their base camp. One crewman was wounded.
 The fighting broke out about noon and lasted four hours. The U.S. Command said contact was broken just before dark.
 The action took place 33 miles southwest of Pleiku and only three miles from the Cambodian border, across which North Vietnamese troops infiltrate into the central highlands of South Vietnam. It was the first fighting in the area in six weeks.
 Communist guerrillas struck in force against two Mekong Delta outposts before dawn, but were chased back across flooded paddyfields with heavy losses.

DIRECTORS (From Page One)

five-mill city - wide property tax which is expected to come to a showdown vote by the electors in September.
 The five-mill tax would bring in about \$275,000 of needed money. The balance would be pledged from water and light revenues and a proposed \$5 annual city auto tax. No federal aid is involved.
 Dr. Sitzes opened the discussion by pointing out background information but soon got to the point on the need for street improvement.
 "Our streets are so bad that some of us have gotten use to them, but the reverse is true to the new comer who invariably complains that this is the most needed city improvement."
 "We're laying the chips on the table this morning. . . and if you fellows are not for this program, say so now. But if you favor it, then stand up and be counted and then work diligently," Dr. Sitzes declared.
 He was followed by Don Parker who outlined the city's financial condition and pointed out that Hope citizens were extremely fortunate in not being taxed by various levels which other cities have.
 "All of this comes about by the efficient operation of the water and light plant which is a money-maker, thus relieving the citizens of many taxes other cities face."
 Leonard Ellis concluded the city's representation by stating that the big problem was to fully inform the public on all phases of this community-wide effort.
 "I believe that an informed public will 'go' for this project if it's tremendous importance is realized early enough before voting time."
 "Industrial prospects looking

Congress Wants Voice in Any New Trouble

WASHINGTON (AP)—Congress wants a much greater voice in deciding whether U.S. military forces should be ordered into new world trouble spots, members of two key Senate committees told Secretary of State Dean Rusk.
 He met with them Tuesday to defend the dispatch of three U.S. military transports and about 126 troops to the Congo, whose government is trying to overcome rebel mercenaries.
 "We don't wish to continue intervening here, there and everywhere," Chairman J.W. Fulbright, D-Ark., of the Foreign Relations Committee commented in telling newsmen of the congressional demand served on the administration.
 He also charged the administration's Congo decision was based on greatly exaggerated reports of dangers to Americans there.

LET'S TALK ABOUT MOVIES

By VELDA SEAMANS
 Tonight is the last chance to see Ray Charles in "Blues for Lovers", the most famous jazz musician in the world today in a heartwarming story of how Ray, being blind himself in real life helps a young blind boy to success. It's a film for all!
 It's Buck a car nite at the Dixie Drive in tonight with a special program tonight only. Then tomorrow, the Dixie Drive in brings two adult type films—"Young Sinner" and "Run Away Girl", with the famous strip tease star you've read about "Lili St. Cyr". We don't recommend this picture for children.
 However, for the folks who like Action on Thursday, Friday and Saturday at the Saenger we bring "Where the Spies Are", a cloak and dagger thriller in color starring David Niven, who adds fun to the proceedings as well. Take our word for it—this one is tops in entertainment. With it "Eye for an Eye" is a good western in color with Slim Pickens, with young Pat Wayne, too.
 Sat. late show and Sunday, Monday the Saenger has a goodie, "Tammy and the Millionaire", with a new Tammy, Debbie Watson, who is as enchanting as moonlight, warm as a sunbeam and funny as no young beautiful star has been funny before. Don't miss the new Tammy!!!
 Don't forget our big Free par-

HOPE (ARK) STAR. Printed by Offset
 over any city put streets and transportation high on their list of requirements, along with good schools, churches, and recreational facilities.
 "Indeed it would be nice for an industrial prospect to ride over eight new arteries of pavement, along with the \$400,000 project now underway from Washington street all the way to the industrial area.
 "Good streets have their impact. The street program is a must for Hope, a show of progress and city pride," Mr. Ellis declared.

Newsman Asks to Antitrust Exemption

By WALTER R. MEARS
WASHINGTON (AP)—A Tucson, Ariz., newspaper publisher asked Congress today for an antitrust law exemption he said would save financially faltering publications and preserve the rivalry of competing newspapers in cities across the nation.
 William A. Small Jr., said unless his Tucson Daily Citizen is permitted to continue joint business operations with the Arizona Daily Star—which he also owns—the Daily Citizen will not survive.
 But Eugene Cervi, who owns a weekly newspaper in Denver, Colo., countered: "Rich publishers ought not to come to Congress asking for salvation and escape from the cold of competition."
 Those statements were prepared for the opening phase of a marathon inquiry into the economics of the newspaper industry by the Senate Antitrust subcommittee. Hearings may extend through the current session of Congress and into the next. More than 100 witnesses already have asked to be heard.
 The panel is considering a bill proposed by Sen. Carl Hayden, D-Ariz., and 14 other senators

Hope Native Named Welfare Assistant

JUDY DAVIS

Little Rock, Ark., July 11, 1967—Miss Judy Davis, a native of Hope, has been appointed administrative assistant to State Welfare Commissioner Len Blaylock. Miss Davis joined the Welfare Department in March as secretary to the assistant commissioner in the State Office at Little Rock.
 In announcing the appointment, Commissioner Blaylock said, "Miss Davis is a personable and dedicated young lady who is deeply interested in the welfare program. She is a good organizer and places her personal interests secondary to the requirements of her assigned duties."
 Miss Davis is a former employee of the Hope Chamber of Commerce and later served more than two years on the staff of the Arkansas State Cancer Commission at Little Rock.
 She is a graduate of Hope High School and attended business college at Little Rock.
 Miss Davis is the daughter of Mr. and Mrs. Leon Davis of Hope. Mr. Davis is a clerk for the U.S. Post Office Department at Hope.
 seeking antitrust exemptions for joint operation or merger of publications termed "falling newspapers."

Hope Star Sports

National League Wins 2-1 in 15

By MURRAY CHASS
ANAHEIM (AP) — Tony Perez started his California trip as a king and climaxed it by keeping the National League on the throne in All-Star competition.

Perez, the Cincinnati Red who replaced starter Rich Allen at third base in the 10th inning, ended the longest All-Star game ever played when he hit an 0-1 pitch from Kansas City's Jim Hunter into the left field bleachers in the 15th inning.

That gave the National League a 2-1 decision Tuesday and a record five straight victories over the American League.

Trailing 12-4 in the All-Star series in 1949, the Nationals now hold a 20-17-1 edge after winning 16 of the last 22 games, which include a tie, and nine of the last 11.

Until Perez hit his homer, pitchers had dominated the game with a record 30 strikeouts.

The victory before 46,309 at the California Angels' Anaheim Stadium also helped soothe the Nationals' and Walter Alston's feelings that were collectively shattered last October by Baltimore's four-game sweep of Alston's Los Angeles Dodgers in the World Series.

Alston, however, felt no more joy than Perez, the 25-year-old Cuban who brought his wife, Pituka, and their 14-month-old son, Victor, to see him play in his first All-Star game.

They arrived in Anaheim late Monday night, unaware they were about to receive royal treatment.

"I don't know what happened," Perez related in between accepting congratulations from Alston, President Warren Giles of the National League and Baseball Commissioner William D. Eckert.

"But when we got to the hotel we had a lot of trouble because they have no more rooms left. So they give me the presidential suite. I felt just like a king."

Even at the \$58-a-day rate, the National League probably would be willing to keep Perez in the suite the rest of the week.

His home run, the third of the game—the others also were by third basemen, Philadelphia's Allen in the second inning and Brooks Robinson of Baltimore in the sixth—broke up a duel that was punctuated more by strikeouts than by hitting.

Allen connected for his homer in the second off AL starter Dean Chance of Minnesota, a former Angel who was booed by the fans before the game. Robinson tied the game with his drive off Ferguson Jenkins of the Chicago Cubs in the sixth.

Tony Conigliaro, AL right fielder from Boston, prevented possible damage a couple of times with beautiful catches of a pair of shots off the bat of St. Louis' Orlando Cepeda, in the 10th and in the 15th—just before the homer.

A total of 12 pitchers, seven for the National and five for the American, posted a record 30 strikeouts in the 3-hour, 41-minute contest that eclipsed the 14-inning game at Chicago's Co-

miskey Park in 1950.

Prior to Tuesday, the record for total strikeouts by both clubs was 20 in 1955. Jenkins led the fan parade by getting a record-tying six American Leagueers.

Pittsburgh's Roberto Clemente, on the other hand, belied his stature as one of baseball's best hitters by striking out a record four times.

"This was possibly over-all the best pitching in any All-Star game I've seen," commented Alston, who picked up his sixth victory against two defeats as an All-Star manager.

"Some said the twilight made the pitches hard to see, but you have to credit the pitching. It's still the name of the game. This type doesn't strike out with that consistency. Maybe it was a little hard to see, but I wouldn't have believed it if I hadn't seen it."

Willie Mays, who was called out on strikes when he entered the game as a pinch hitter in the sixth, agreed with Alston.

"It was the pitching, not the light conditions," said the San Francisco star who didn't start in the game for the first time since 1956.

Perez himself struck out in his first appearance against Hunter in the 12th inning. Hunter was still around in the 15th when the Reds' right-handed slugger came up again and hit his game-winner.

"He threw a curve the first pitch," Perez said, "but I was looking for a fast ball because he threw me two fast balls when he struck me out. The second pitch was a fast ball, and I hit it good. I knew it was a homer."

All that was left then was for rookie Tom Seaver of the New York Mets to retire the Americans in their half of the 15th. Seaver relieved Don Drysdale, who worked two innings before leaving for a pinch hitter and received credit for the victory.

Practically overlooked by the time the contest ended were the pitching performances of Gary Peters of the Chicago White Sox and National League starter Juan Marichal of San Francisco.

Peters worked three perfect innings for the Americans while Marichal allowed only a pinch single by California's Jim Fregosi with two out in the third.

Pitching Is Feature of the Contest

By FRANK O'REILLY
ANAHEIM (AP) — You've gotta credit the pitching. That's still the name of the game," said Manager Walter Alston, a man eminently qualified to discuss the fruits of good pitching.

Alston's Los Angeles Dodgers put together successive pennants with the National League's best pitching, and Tuesday his All-Star team outlasted the American League, 2-1 in a 15-inning marathon.

The most-feared hitters in baseball amassed 30 strikeouts, with the winners Roberto Clemente of Pittsburgh setting an All-Star record for futility by fanning four times.

Home runs accounted for all runs as Cincinnati's Tony Perez snapped a 1-1 tie with a drive over the left field fence in the 15th. Earlier, Rich Allen of Philadelphia homered for the Nationals and Baltimore's Brooks

Nicklaus Challenged by Rodgers

By THOMAS A. REEDY
HOYLAK, England (AP) — A husky American ex-Marine challenged Jack Nicklaus today over what—not who—would win the 1967 British Open Golf Championship.

"Like this, even four 70s might not win," said Phil Rodgers, 29-year-old San Diego professional who lost the title four years ago in a playoff with New Zealand left-hander Bob Charles, and has been knocking on the door ever since.

Nicklaus, the Columbus, Ohio, holder of both the 1966 British Open and the 1967 American Open, disagreed violently.

Nicklaus, 11-4 favorite to repeat, teed off in the knowledge that "It's easier to defend a title than to win one." He forecast that a little bit of wind off the Mersey Sound could shoot the winning score up to as much as 290.

"Not so," said Rodgers. "The old tradition here of 70 never being broken easily could fail this time, and it might turn out that the Open record will go down."

The record for the 107-year-old Open is 276, set at Troon in Scotland by Arnold Palmer in 1962. Bobby Jones was happy with his 291 here at Hoylake in 1930, the year of his Grand Slam.

A strange turn of weather gave the field of 130, including eight Americans, the chance to be wrong one way or the other about how to cope with the Hoylake's 6,995-yard, par 72 seaside links.

Hot sun and balmy breezes dried out the course and the big guns of the game, like Nicklaus, were settling for such things as a one under par 71 in their final practice rounds.

The sharp, precision players like Rodgers, Charles, and 22-year-old Clive Clark of England, were racking up 66 and 67.

Facts and Figures on the Game

ANAHEIM (AP) — Facts and figures on Tuesday's All-Star baseball game:

Result — National League 2, American League 1, 15 innings.

Series standings — National won 20, American won 17, tied 1.

Site — Anaheim Stadium.

Attendance — 46,309.

Gross receipts — \$324,428.

Television receipts — Part of \$10-million package that includes World Series, Game of the Week and All-Star game.

Proceeds — 95 per cent of gate and television goes into player pension fund.

Next year's game — Houston Astrodome.

Robinson tied the score for the American League.

But otherwise, pitching dominated and Manager Hank Bauer of Baltimore looked there for solace after the American League's fifth straight All-Star defeat.

"I guess they had some good pitching thrown at them," said Bauer. "Perez just caught the ball—boom."

Clemente, defending National League batting champion, sat in front of his locker, perplexed. "It was just one of those things. In an All-Star game, you get good pitching, but it can't be that good. The ball was a little hard to pick up. I could see the fast balls, but the breaking stuff, well..."

The Dodgers' Don Drysdale, who went two innings, struck out two and picked up the victory, his first in an All-Star game, analyzed: "Maybe the hitters were trying too hard, and maybe there was just a lot of good pitching. It's hard to say."

Opening on the mound for the National League was Juan Marichal, who struck out three. Then, Ferguson Jenkins set an All-Star mark, striking out six in three innings.

Bob Gibson struck out two, Chris Short one, Mike Cuellar two, Drysdale two and Tom Seaver one.

For the American League pitchers, the strikeout tabulation was: Dean Chance one, Jim McGlothlin four, Gary Peters three, Al Downing two and loser Jim Hunter, the victim of Perez' homer, three.

Midwest Clings to Loop Lead

By RALPH ROUNTON
Star Sports Writer

Midwest Daifry clung on to the top spot in the Hope Little League as exciting action prevailed last night at K Park.

Century Bible Class opened the evening by clouting Lions Club 16-5. Kenny Rowe got four singles in four trips to the plate for CBC. Then Midwest hung on the whole way to nip Hope Auto by a score of 4-3. David Huddleston, although the losing pitcher, attributed to his own cause by socking 2 singles and a double for Hope Auto.

With Benny O'Neal pitching his finest game, Sheriff's Department rolled to an easy 12-0 win over Barry's Quick Sak. O'Neal fired a three-hitter and struck out 8 for Sheriff's.

Contenders to Battle in Garden

GROSSINGER, N.Y. (AP) — Heavyweight contenders Joe Frazier and George Chuvalo meet in New York's Madison Square Garden next Wednesday night in a 12-rounder that figures to be a rough-and-tough, drag-em-out battle.

You would think that the two heavyweights would be training at austere camps where they could concentrate solely on the big, pivotal fight ahead.

Instead they are working out at two of the plushiest resorts in the Catskill Mountains. Chuvalo, the 29-year-old Canadian champion, is working out here at the Grossinger Country Club while Frazier is training nearby at the Concord Hotel.

The fighters, however, are going through their paces as if they were working out on barges. They are ignoring the bright, night social festivities.

Frazier, the 23-year-old slugger who has posted 14 knockouts in an unbeaten string of 16, has been flattening sparmates with his short, powerful left hooks. He appears ready to go today.

Chuvalo, an iron-jawed veteran who claims he never has been floored, has been drilling as if he had a marathon run coming up.

FOOTBALL PRACTICE? It appears that way at Wrigley Field in Chicago where the ushers, left, tackle some over-enthusiastic Cubs' fans. See what winning means? A couple of weeks ago the ushers probably were complaining about the lack of tips from the small crowds.

Tony Perez Is Hero of Big Game

By JACK STEVENSON
ANAHEIM (AP) — Magical transformations occur in Anaheim Stadium as well as in adjacent Disneyland.

Tony Perez proved it as he turned from bench warmer to hero in baseball's 1967 All-Star game Tuesday.

The Cincinnati third baseman didn't see action in the first nine innings as Philadelphia's Richie Allen had won the vote for starting and had hit a homer in the second inning.

At the end of nine it was 1-1. "I thought after it got into extra innings, I might get a

chance to play," said Perez who was on the All-Star squad for the first time.

Manager Walter Alston sent him to third base in the bottom of the 10th and he struck out in the 12th. Then in the 15th, with the count 0-1, Tony crashed a Jim Hunter pitch over the left field fence boosting the Nationals to a 2-1 victory.

"When I hit it, I knew it was out," said Perez who has hit 17 homers for the Reds this year.

After the game, the 25-year-old Cuban native was voted the outstanding player on the strength of his homer.

Alston said he substituted Perez because "It was getting late, and I wanted to get him in. There's not too much difference between those two fellows so I got him in there."

Notes About Annual All Star Game

By JACK HAND

ANAHEIM (AP) — Walter Alston of Los Angeles used all of his 25-man National League squad in the All-Star Game with the exception of pitcher Claude Osteen who worked Sunday.

Hank Bauer of Baltimore had five men left over on his American League squad, including the three pitchers who worked Sunday and were not expected to see action. They were Jim Lonborg of Boston, Joe Horlen of Chicago and Steve Hargan of Cleveland.

The others who didn't see action were catchers Paul Casanova of Washington and Andy Etchebarren of Baltimore. Starter Bill Freehan of Detroit was one of 10 players who played in the entire game.

They started the game in 91-degree heat Tuesday, but they sweated it out into the cool evening hours.

The game set a new All-Star record for time consumed, 3 hours, 41 minutes and the innings, 15. The old records were 14 innings and 3:19 in 1950 when a homer by Red Schoendienst, now St. Louis manager, won it for the Nationals who have taken all five extra-inning games.

The winning pitcher doesn't usually get a booby, but Don Drysdale heard the old booz at Anaheim Stadium.

The California Angel fans, obviously no great admirers of the Los Angeles Dodgers, really gave it to Big D when he came in to pitch in the 12th inning.

When they announced over the public address system, "winning pitcher, Drysdale," they let him have it again.

The Angels fans were choosy. They even gave the business to an ex-Angel Dean Chance, when he was introduced as the American League starting pitcher. It seems Dean did not endear himself to the folks of Disneyland in 1966 season before he was traded to Minnesota.

A Chevy pickup gives you more truck for the money

America's best selling 6-cylinder pickup—Chevrolet's Model CS 10934 Fleetside

Only Chevrolet offers all these pickup features:

- ☐ Superior forward visibility, down-front and overhead
- ☐ Generous leg and knee room in cab for driver comfort
- ☐ Truck-engineered independent front suspension with coil springs (series C10, C20, C30)
- ☐ Two-stage rear coil springs (series C10, C20)
- ☐ Full double-wall side panels and double-wall tailgate (Fleetside)
- ☐ No external joints to rust or corrode on Fleetside box
- ☐ Dual master-cylinder brake system with warning light
- ☐ Chevy's money-saving 250 six; available 292 six, 283 V8 and 327 V8 (series C10, C20, C30)
- ☐ Self-washing, rust-resistant fender skirts. Wheelhouse undercoating. Aluminized muffler
- ☐ Smooth ball-gear steering
- ☐ Telescoping lower steering shaft (series C10, C20, C30)
- ☐ Padded instrument panel crown. High level ventilation
- ☐ Safety door latches and hinges. Pushbutton door locks
- ☐ Thick-laminate windshield. Dual-speed wipers. Washers
- ☐ Four-way hazard warning flasher. Backup lights. Direction signals
- ☐ Delco battery and Delco-tron generator
- ☐ Specially protected electrical circuits

CHATTER

By: BILL

As far as the Internal Revenue people are concerned, there is no such thing as privacy or personal belongings. In the recent investigation of Senator Dodd, it was brought out that Dirksen testified in favor of ex-governor Stratton's campaign expenses. Even to the point of sanctioning the \$35,000 girdle for Mrs. Stratton which appeared on the account. Dirksen said Mrs. Stratton had a beautiful figure and no doubt deserved whatever price the girdle cost...

Hooray for you, Mr. Dirksen. Women will like you for this! And while we have no \$35,000 girdles at Raley's, we are in favor. The best is none too good for any and all of us and what's underneath is as important and often more so than the visible garments.

Marja makes a lightweight girdle with a long leg that will make your summer dresses look smarter than ever. The double satin panel front gives the flattening effect, the satin elastic stripe down each leg gives hip control. You will love the freedom at the waistline. No more squeezing in until there are folds from the top. These garments come in two price ranges, \$11.00 and \$13.00. The sizes are S, M, L, and XL. There is one for YOU... get it today!

For sportswear you can't afford to be without the Lovable sports-brief. A little elastic pantie that fits like skin. Wear it under your shorts, your pants, bathing suit, and all casual clothes. Absolutely the best three dollar purchase you have made this summer! We have panties and slips you will like, too. See them all at

P.S. We still have summer merchandise marked at 1/2 price.

Now cover everything with just one check a month

Travelers new Umbrella Plan combines all your insurance—business or personal—into equal, easy monthly payments. Nothing's overlooked. Nothing's over-insured. Call us for details now.

Travelers, Spurs Are Rained Out

LITTLE ROCK (AP) — The Arkansas Travelers and the Dallas-Fort Worth Spurs were rained out Tuesday night but the Travs managed to move into a three-way tie for third by virtue of Albuquerque's 7-2 loss to Amarillo.

Arkansas, Austin and Albuquerque are now tied for third, 10 1/2 games behind Amarillo. Back-to-back home runs by Ralph Carr and Darrell Griffith powered the Austin Braves to a 3-1 victory over El Paso Tuesday night at El Paso. Nat Colbert's 22nd home run of the season and two errors by Albuquerque's Mel Corbo helped Amarillo secure its victory over the Dodgers at Albuquerque.

Decision Soon on Bishop

LITTLE ROCK (AP) — Very Rev. Christoph Keller, of Jackson, Miss., said Tuesday he would decide later this week whether to become the bishop coadjutor of the Episcopal Diocese of Arkansas—a position to which he was recently elected. Dean Keller, 51, dean of St. Andrew's Cathedral at Jackson, would be in line to succeed Rt. Rev. Robert R. Brown, Episcopal bishop of Arkansas, if he decides to take the position. Dean Keller met with Bishop Brown Tuesday.

Edwards Ends 10 Years of Service

B. W. Edwards retires from the Hope Water & Light Commission after serving 10 years as chairman of the commission. Mr. Edwards is the first member of the original commission, appointed June 18, 1957 to retire. The original commission was appointed on staggered terms of two to ten years. Mr. Edwards drawing the 10 year appointment was elected as chairman. As the original appointments expired, each member has accepted reappointment to a 10 year term, leaving the same members functioning for 10 years.

William E. (Bill) Tolleson was appointed as the new replacement on the Board. The appointment is for a period of 10 years. The Board reorganized, naming Albert Graves as chairman and Bill Tolleson to a newly created position of vice-chairman. He will function as chairman in the absence of the chairman and carry a part of the responsibility for directing the commission. Mr. Roy Anderson will continue as secretary of the commission.

The members of the commission have actually served 11 years. Mayor Ole Olsen appointed this group in July 1956, under an existing law providing for a Utility Commission. The 1957 legislature passed a bill, introduced by Representative Talbot Field, Jr. to provide for the existing organization. After this became a law, the Hope City Council reorganized the Water & Light Commission under the new law and Mayor Olsen reappointed the original commission. Mayor Olsen said the Water & Light Systems were big business, and needed the best management the community could provide. He said that he and the City Council decided to try to enlist a commission composed of the finest business men in the City, and that it required some persuasion to enlist this group of men. That the choices were good is born out by the phenomenal development and growth of these systems during this 11 year period.

When the commission took over, the electric system was badly outdated and low voltage was a common complaint. The generating plant needed additional equipment and the operation was involved in serious labor trouble. The Water System was inadequate, and there was no overhead storage. Due to the condition of the water system the Rating Bureau was on the verge of raising insurance rates in the community. The systems had outstanding debt of around \$750,000.

Instead of expanding the Power Plant, the commission secured a wholesale connection with the Arkansas Power & Light Company and at rates consider-

Associate Justice Lyle Brown administering the oath of office to Bill Tolleson, who replaces B. W. Edwards on the Hope Water & Light Commission. Judge Brown administered the oath to the original Water & Light Commission 10 years ago and this is the first replacement to the group. Others in the picture l to r, Albert Graves, Robert LaGrone, Lloyd Spencer, Roy Anderson and B. W. Edwards.

ably lower than the City had ever been able to produce power at the old plant. Over \$1,250,000 has been spent on systems improvements. The improvements include a 500,000 gallon overhead storage water tank and several miles of additional water mains. The electric system, including all rural lines have been almost completely rebuilt and there is no area in the system that does not have good service and constant voltage. The outstanding bonds have been paid down to \$233,000 and the system has enough funds on hand to pay them off. The surplus funds, however, are invested in 4 percent securities, while the interest on the old outstanding bonds average about 2 1/2 percent. During this time the electric rates have been lowered twice and Hopewon enjoys some of the lowest electric rates in the state.

Revenues from the systems have, during this time, been used for a great many community improvements. Over \$150,000 has been spent to provide improvements to the Hope High School, County Library, the Vocational Technical School, Park improvements, new Chamber of Commerce building and remodeling of the City Hall. In addition, an extensive mercury vapor lighting system has been put in and a complete street marking program. Other special projects include the purchase of machinery and equipment for the Street and Sanitation Departments which has amounted to \$80,000.

Recently, the Water & Light Systems put up \$200,000 as the City's share of a program of water lines and roads to the Industrial Areas and the purchase of \$45,000 worth of new street machinery. Mr. Edwards says that he feels that the City's utility business is well developed along sound business lines and that it is time for some younger people to step into the direction of these affairs.

Girls Don't Go With Tag

TALLAHASSEE, Fla. (AP) — State Sen. J. Emory Cross, D-Gainesville, asked the Senate Rules Committee Tuesday to give priority to a bill providing special auto license plates for legislators.

Cross wants a tag numbered 007, numerical designation of spy fiction hero James Bond.

Sen. Elmer Friday, D-Fort Myers, warned Cross: "The girls don't go with it."

SOLUNAR TABLES

By JOHN ALDEN KNIGHT

The schedule of Solunar Periods, as printed below has been taken from John Alden Knight's SOLUNAR TABLES. Plan your days so that you will be fishing in good territory or hunting in good cover during these times, if you wish to find the best sport that each day has to offer.

The Major Periods are shown in boldface type. These begin at the times shown and last for an hour and a half or two hours thereafter. The Minor Periods, shown in regular type, are of somewhat shorter duration. Use Central Standard Time.

Higher Average of Degrees

LITTLE ROCK (AP) — State Education Commissioner A. W. Ford said Tuesday that calculations by his staff indicate Arkansas' percentage of teachers

with bachelors' degrees is higher than the national average of about 93 per cent.

Ford said around 97 per cent of the state's teachers have bachelors' degrees. Ford also said that his department stopped certifying teachers

without a degree in 1963 and that within a few years 100 per cent of the state's teachers will have bachelors' degrees.

Ford said 21 per cent of the state's teachers have masters' degrees and that the national average is 23 per cent.

Horsepower
The word "horsepower" was established by James Watt in rating his steam engines by determining the rate at which horses could work, according to the Encyclopaedia Britannica.

Pass	6	Pass
Dble	Pass	Pass
Opening lead - K		

Once upon a time a pitcher could get by with a fast ball

and a curve. Today he needs several other pitches.
A winning bridge player must also mix his bids.
One of the standard rules for preemptive bids of three is that you don't make them when you can just as well open with one. Malcolm Martin of Bermuda knows this rule but violated it with tremendous success in a recent rubber bridge game at New York's Regency Whist Club.
North knew that West might well have opened three diamonds with a seven card suit to the queen-jack and nothing else. His double was passed and picked up 300 points but South did have five spades and his partner had asked him to bid.
The spade bid was right up North's alley. He forced to a spade slam and when the slam bid got back to Malcolm he decided to go all out and doubled.
The double was dangerous but as Mal remarked later on, "I came here to take chances."
The double was spectacularly successful. South ruffed the diamond lead and played a low heart from dummy. This play turned out to be just as unsuccessful as the bidding. East took the trick with the ten and forced dummy with a second diamond. The ace of hearts was led next. West ruffed and forced out dummy's last trump with another diamond lead. At this point East and West had two tricks in and were still able to collect two trumps, a diamond and 1,100 points on their side of the score.

Q-CARD Sense
Q-The bidding has been:
West North East South
Pass 1 ♦ Pass 1 ♣
Pass 3 ♦ Pass 2 N.T.
Pass 3 N.T. Pass ?
You, South, hold:
AK 2 ♥ K 9 4 ♦ AQ K J 7 6
What do you do now?
A-Pass. You have nothing more to show.
TODAY'S QUESTION
Instead of bidding three no-trump your partner bids four clubs over your three spades. What do you do now?
Answer Tomorrow

Oswald Jacoby shares his bridge tips and techniques in his booklet, "Win At Bridge." You'll be a winner, too, if you send for your personal copy. Available to readers of (Name Paper) by sending your name, address with zip code and 50 cents to: (Name Paper, Address, City, State) or (Name Paper, Box 489, Dept. A, Radio City Station, New York, N.Y. 10019).

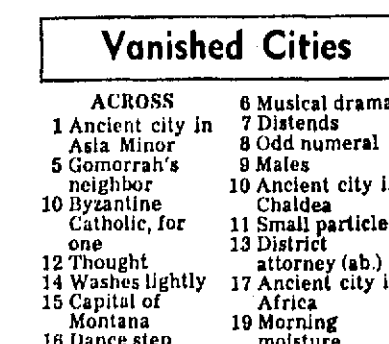

NAACP Is Critical of Congress
BOSTON (AP) - With a plea for "something more than punitive passion," Roy Wilkins opened the 58th annual convention of the National Association for the Advancement of Colored People on a note critical of both Congress and the progress made by the civil rights movement.
The NAACP's executive director went before more than 1,500 applauding delegates in a hotel ballroom Monday night to charge congressmen who vote against civil rights bills with "creating the atmosphere in which an outbreak of violence can occur."
The convention turns today to reports on slum projects in Buffalo, N.Y., and in East Harlem, New York City, and the possibility that President Johnson will fly here for a major civil rights address.
It also will award its Spingarn Medal to Massachusetts Republican Edward W. Brooke, first Negro popularly elected to the U.S. Senate. The award is presented to Negroes for outstanding achievement.

LEGAL NOTICE

Proposed Budget of Expenditures Together with Tax Levy for Fiscal Year Beginning July 1, 1968 to and including June 30, 1969.
The Board of Directors of Hope School District No. 1-A of Hempstead County, Arkansas, in compliance with the requirements of Act 403 of 1951 and of Amendment 40 to the Constitution of the State of Arkansas, have prepared, approved, and hereby make public the proposed budget of expenditures together with the tax rate as follows:
General Control, \$60,000; Instruction, \$660,000; Operation of School Buildings, \$45,000; Maintenance of School Plant and Equipment, \$25,000; Auxiliary Agencies (including transportation), \$60,000; Fixed Charges, \$37,500; Capital Outlay, \$5,000; Debt Service, \$97,000.
To provide for the foregoing proposed budget of expenditures the Board of Directors proposes a tax levy of 40 mills. This tax includes the present continuing levy for the retirement of the present indebtedness (there is no increase in the Tax Levy).
GIVEN this 11th day of July, 1967,
BOARD OF DIRECTORS
Hope School District No. 1-A of Hempstead County, Arkansas, Dr. Sam W. Strong, President, George Frazier, Secretary

Q-Which epistles in the New Testament are known as the "Pastoral Epistles?"

A-The first and second epistle to Timothy and the epistle to Titus, because they contain the advice of a pastor concerning church government, church officers, teachings and Christian faithfulness and endurance.

Q-Who introduced the rosary into the Roman Catholic Church?

A-St. Dominic. Prayer beads are of ancient origin, and were probably first used by the Buddhists.

Street Program Gets Backing

LEONARD ELLIS, CITY BOARD OF DIRECTOR

'No' for Public Housing at Pine Bluff

That I suspected in this column yesterday can be reported as fact today: Pine Bluff voting in a special election Tuesday turned down public housing for the third time.

It was close—3,819 Against, to 3,116 For—but this time the city government backed the proposal, and still its backing wasn't enough. Previous votes were in 1950, when the margin was close; and in 1964, when public housing lost two to one.

Press dispatches hint that one of the controlling factors in Tuesday's election was the opposition of the Pine Bluff Real Estate Board, which circulated the petition for the referendum and campaigned against the federal proposal. But the fact is most individual property owners are opposed to it everywhere, and non-property folks also are getting tired of seeing the federal debt go ever higher with daily threats of an increase in federal taxes.

It's time the federal began paying off old debts instead of creating new ones—and the same warning fits local politicians who try to "play house" on Washington's Confederate money.

GOPs Hope to Revise Bill on Broadcasts

WASHINGTON (AP) — Republicans on the House Commerce Committee hope to revise the Senate-passed bill for a nonprofit public broadcasting corporation to insure its freedom from governmental—and especially presidential—control.

Rep. William I. Springer of Illinois, ranking GOP committee member, made this clear in an interview today as the panel prepared to hear initial testimony from John W. Gardner, secretary of health, education and welfare.

Springer said he supports the concept of a public, nonprofit educational broadcasting corporation and that he expects the committee to approve "some kind of bill." But he added, "I don't think it will be the Senate bill."

The administration's proposal, not changed much by the Senate, is supported strongly by committee Chairman Harley O. Staggers, D-W.Va., who is keeping control over the legislation by holding hearings before the full committee rather than a subcommittee.

The Senate bill, passed by voice vote May 17, would create a public corporation to establish one or more noncommercial radio and television networks to distribute educational programs.

It would be directed by a 15-member board, nine members named by the President with Senate confirmation and six appointed by those nine.

Hit by Auto, Youth Dies

BENTON, Ark. (AP)—Ricky Epley, 8, of Benton, Kan., died Tuesday night about 7:15 after being struck by a car about 2½ hours earlier in the Hot Springs city limits. The child died at the Saline County Hospital en route to a Little Rock hospital.

Authorities said the child was struck by a car while crossing U.S. 70. Police said the car was driven by Eddie Jansen, 28, of Houston, Tex.

The boy was reportedly visiting his mother in Hot Springs.

Pine Bluff Is Against Housing

PINE BLUFF, Ark. (AP)—Pine Bluff voters defeated a resolution Tuesday that would have created a public housing authority. The vote was 3,166 for and 3,819 against.

The vote was the first recorded on the Jefferson County voting machines. The polls closed at 7:30 p.m. and the results were made public 50 minutes later.

The Pine Bluff Real Estate Board circulated petitions for a referendum after the City Council voted March 20 to establish the housing authority which was to manage and implement a low-rent housing program.

Directors Unanimous in Decision

Directors of Hope Chamber of Commerce, at an early morning breakfast today, voted unanimously to back the city's proposed \$765,000 street improvement program.

The vote came after brief talks by Dr. Lester Sitzes, Leonard Ellis and Don Parker, all members of the city board of directors who appeared before the city council.

The city's proposed paving program calls for eight main arteries running north, south, east and west across the city. The project includes new paving, curb and gutter.

The issue revolves around a

Cannibalism of White Settlers Reported in the Southeast Congo

By MICHAEL GOLDSMITH KIGALI, Rwanda (AP)—A Congolese Cabinet minister today reported cannibalism of white settlers in the southeast Congo as a refugee pilot told of a stalemate between mutineers and loyal troops in Kisangani to the north.

Interior Minister Etienne Tshisekedi told newsmen at Bukumbura, capital of Burundi, that Congolese had eaten several whites in Lubumbashi. He said he feared similar cannibalism might occur in Bukavu because of the mutiny there by white mercenaries and Katangan troops loyal to ex-Premier Moïse Tshombe.

Tshisekedi said he ordered a stop to "such barbarism and reprisals" in Lubumbashi, which as Elisabethville was

Corinth Church Plans Revival

Corinth Missionary Baptist Church plans a revival meeting starting Sunday, July 16 and it will continue through the week. The church is located three miles southeast of Bodcaw.

The Pastor, the Rev. Hollis Dillard, will preach twice daily at 10:30 a.m. and 8 p.m.

Skeleton Is Identified

WILBURTON, Okla. (AP)—A skeleton found Sunday in Latimer County, in Southeastern Oklahoma, was tentatively identified Tuesday as that of Mrs. Dola Oldham, Fort Smith, Ark.

Carl Tyler, Chief of the Oklahoma Bureau of Investigation, said the skeleton was identified through a ring which bore Mrs. Oldham's maiden name. She had been missing since March.

Owners Ordered to Improve or Raze 25 Houses Inside City

The city manager board last night ordered a crackdown on 25 vacant, run-down and dilapidated houses and buildings in Hope as potential fire hazards.

All city directors voiced approval of a resolution to condemn the properties, and then instructed City Attorney James H. Pilkinton to give property owners notification to improve and clean up the premises—or be subject to having the city raze the buildings and then file labor liens against the property.

None of the buildings are occupied, and many have been virtually abandoned for years.

Photographs of the 25 properties were studied closely by the city directors and then action was taken after a recommendation was brought by Fire Chief James Cobb.

The list of properties: 1 - W½ of 10 and all of Lot 11 & 12 Block 14, Wallis Addition. West 4th Street Owned by Wade Seastrong, P.O. Box 221, Texarkana, Arkansas.

2. East Ave. G. 300 Block, Third Lot E. Hazel Street, left side. Lot 7 & 8, Block 4 Finley Addition - Owned by Willie A.M. Lawson 843 East 77th Street, Los Angeles, California.

3. E. Greenwood 400 Block, Intersection Greenwood and North Laurel Street 2nd house on lot east of Laurel intersection on left side of Greenwood looking East. Owned by Willie Leonard 1213 Ralston, Bakersfield, California.

4. Berry Street, 400 Block and Long Street, 1100 Block South side of Berry. Lot 5 & 6 Block 10 Oaklawn No. 1 Addition. Owned by William and Jessie Mae Jackson, 1827 E. 104th Street,

Frost Is WR's Choice for New Post

LITTLE ROCK (AP)—Clarence "Mike" Frost, 38, of Detroit, the man whom the Associated Press reported Monday was Gov. Winthrop Rockefeller's choice as director of the state Administration Department, was confirmed Tuesday as the man the governor wants for the job.

Rockefeller said Frost was "exactly what we are looking for."

Rockefeller was asked if he felt Frost would take the job. "Perhaps the AP could tell you since they talked to him," Rockefeller said. "If you fellows are going to get so energetic about running down names I'll just have to talk a little less."

Frost, who is vacationing in Florida, told the AP Monday he would not give the job serious consideration until he returned to Detroit late this week. He is assistant comptroller of the National Bank of Detroit and a native of Chicago.

Pleads Innocent to Murder

EL DORADO, Ark. (AP)—Russell Pendleton, 20, of El Dorado, who is charged with first-degree murder in connection with the July 4 slaying of Cantrell Lee Breed, 19, pleaded innocent to the charges Tuesday.

Pendleton entered his plea at his arraignment before Judge Harry Crumpler in 1st Division Circuit Court. Breed, also of El Dorado, was shot in the head with a .38-caliber pistol at the Pendleton home.

Says Forces Not Used Properly

By FRED S. HOFFMAN WASHINGTON (AP)—Secretary of Defense Robert S. McNamara kept secret today his recommendations on boosting U.S. troop strength in Vietnam, but hinted strongly at plans to get more combat power out of the forces already there.

In advance of a luncheon with President Johnson at the White House, McNamara refused to disclose what measures he will propose as a result of his ninth on-the-spot checkup of the U.S. military effort in Vietnam.

"I can't comment on what additional troops, if any, will be sent," the defense chief told newsmen who met him at Andrews Air Force Base, Md., where he arrived from Saigon just before midnight Tuesday.

He refused flatly to give any idea about the course of the air war, saying "I never comment on future operations."

The effectiveness of the bombing in North Vietnam was a prime topic during McNamara's conference with Gen. William C. Westmoreland, U.S. commander in Vietnam, and other key American military leaders there.

McNamara re-stated what he said is a two-year-old policy this way: "What the military commanders feel necessary to carry out the military operations that are required to meet our limited political objectives in South Vietnam will be sent."

Westmoreland is reported to have asked for up to 140,000 more fighting men. Present U.S. strength in Vietnam stands at about 466,000.

Current Pentagon speculation centers on the possibility Johnson will approve possibly two more division forces, totaling possibly 70,000 men, spread over a period of months.

Army officials said they could handle such an increase, and possibly even a bigger one, by increasing the draft rather than calling up reservists.

The strongest possibility appeared to be the addition of one division force, totaling about 35,000 men, to plug gaps left by Army troops moving into the central highlands and the northernmost provinces to bolster other Army and Marine troops against serious North Vietnamese probes.

Youth Struck Down by Car

The four-year-old son of Mr. and Mrs. James Puryear, 919 S. Elm, was struck down by a car driven by Walter G. Melver yesterday on South Elm. The youth was treated at a local hospital and is not believed seriously hurt.

According to investigating officers Neal and Johnson the youngster darted from behind a truck into the car. No charges were filed.

All Around Town

By The Star Staff

A local stenographer wants to know if the city is in good enough financial condition to launch a \$765,000 street paving program . . . apparently the mayor, city manager and directors along with the planning board think so . . . they favor the program 100 percent. . . one director commented on the question as follows: The city is probably in better financial shape than at any other time in history with adequate reserves for each department and \$400,000 surplus in two local banks drawing interest, plus another \$270,204.89 reserve and operating capital. . . he concluded by saying an audit is on file at city hall for public inspection at all times.

Commander Fred McElroy announces that a meeting of the VFW has been called for 7:30 p.m. Thursday.

Dean's Truckers, local independent baseball team, will meet a team from Bradley at 8 p.m. Wednesday at Legion Field, Fair Park.

Walter P. Reuther presents Chrysler Corp. with his United Auto Workers' new contract demands including a call for profit sharing with the threat of a strike to get it.

Sen. Edward W. Brooke says this summer's racial violence is developing what appears to be "punitive reaction" to the civil rights movement.

A behind-the-scenes battle for control of the National Association for the Advancement of Colored People is reported under way at the organization's annual convention.

The State Department passport division has been in a massive tangle for six weeks as many Americans want to go to Israel and other Middle Eastern countries.

Missing Man Turns Up

EUREKA SPRINGS, Ark. (AP)—Jimmy Owens, 22, of Berryville, the object of an extensive search, walked into the Eureka Springs Police headquarters Tuesday night shortly before 11:30 p.m.

Carroll County Sheriff Orval Bishop said Owens, a city policeman, had sideswiped an empty car Monday night about midnight and had apparently gotten scared. Bishop said Owens was to have reported to work at midnight Monday but never showed up.

"I was disappointed in him," Bishop said. "Everyone is entitled to one mistake, but this is a pretty bad one."

New Fighting Reported in Middle East

By MAX HARRELSON UNITED NATIONS, N.Y. (AP)—New fighting between Egyptian and Israeli forces on land and at sea was reported today as angry Moslem diplomats at the United Nations worked on a resolution to censure Israel for refusing to give up the Old City of Jerusalem.

Israel announced that Israeli naval units sank two Egyptian torpedo boats Tuesday in the first naval clash between the two nations since the Middle East war last month.

An Israeli army spokesman said the engagement occurred in the Mediterranean about 16 miles off the occupied Egyptian town of El Arish when the Egyptian boats fired on a patrolling Israeli flotilla which included the destroyer Elath and two torpedo boats.

The spokesman said eight Israeli seamen were slightly wounded.

An Egyptian communique claimed that Israeli machine guns opened fire on Egyptian forces on the west bank of the Suez Canal south of Ismailia. The communique said Egyptian guns fired back and knocked out two Israeli armored cars. It said there were no Egyptian casualties.

Legal authorities at the State Department make it clear there is no formal commitment by the United States to defend Hong Kong. But the extent to which there may be a private understanding is not being disclosed.

State Department press officer Robert J. McCloskey was asked if there is a U.S. policy in the event Hong Kong is attacked from the Chinese mainland. He said there is such a policy but the situation has not arisen and he would not discuss it further.

There are approximately 6,000 Americans who are residents of Hong Kong and there is a so-called floating population of 1,000 to 1,500 more Americans visiting there.

McCloskey advised U.S. tourists Tuesday that it would be prudent to take into account the present turmoil before visiting the island. At this point there is no ban on travel there.

Legal experts said that while there is no written understanding between the United States and Britain comparable to the defense treaty between the United States and Nationalist China, Hong Kong has been discussed on a confidential basis.

It is believed there was an exchange of views between President Johnson and British Prime Minister Harold Wilson on the subject during their meeting here last month.

Negro Sues to Halt New School Bldg.
LITTLE ROCK (AP)—Earlis Jackson, a Negro who says he has five children attending the M. M. Tate High School at Marvell, filed suit Tuesday in federal District Court in an attempt to halt the proposed construction of a new high school on the grounds occupied by the Tate school.

The suit said the new building is to replace "temporary facilities" that were used at the Tate school last year because of crowded conditions. The suit said the new building will "tend to frustrate the prompt achievement of a unitary non-racial school system."

Jackson said a school district the size of Marvell cannot justify, financially or educationally, the operation of more than one high school.
